jleaming@acslaw.org

WHAT: The American Constitution Society for Law and Policy (ACS) will host an event exploring challenges to privacy in a growing digital age. The event will feature a keynote address by **Christopher N. Olsen**, the Assistant Director in the Division of Privacy and Identity Protection at the Federal Trade Commission, followed by a diverse panel of experts who will discuss the myriad issues surrounding the availability of information in cyberspace, including privacy concerns such as potential government dissemination of financial and health records.

WHO:

- *Moderator, Jeffrey Rosen*, professor of law at George Washington University and legal affairs editor at *The New Republic*.
- **Alan Davidson**, Director, Public Policy, Google in the Americas.
- **Marc M. Groman**, counsel, Committee on Energy and Commerce, United States House of Representatives (FTC detail).
- **Deborah C. Peel**, M.D., founder and chair, Patient Privacy Rights; chair, Coalition for Patient Privacy.
- **Lillie Coney**, associate director, Electronic Privacy Information Center; coordinator, Privacy Coalition.

WHEN: Nov. 3, 2009, Lunch will be served at 11:30 a.m., with keynote address at noon. Panel discussion will be from 1:00 – 2:30 p.m.

WHERE: 1333 H Street NW, 10th Floor, CAP conference room, Washington, DC 20005

RSVP: The event is free. Please RSVP to press@acslaw.org.

The American Constitution Society for Law and Policy is one of the nation's leading progressive legal organizations, comprised of lawyers, judges, students and policy makers committed to promoting the vitality of the Constitution and the fundamental

values it expresses. The views of the speakers are their own and should not be attributed to ACS. For more information about ACS, visit www.acslaw.org.
